# From the desk of the **Secretary ....**

Dear Entrepreneurs, Business Friends and All Stakeholders,

I am extremely happy and satisfied to present to you this new and expanded edition of Sanand GIDC Directory Book. This directory is not just a catalogue, but it is a symbol of the hard work, vision and progress of every industry and business operating in Sanand GIDC.

Sanand GIDC has emerged as a leading and dynamic hub in the industrial sector of Gujarat. In the last few years, we have all together contributed significantly in making this industrial estate a modern and developmental hub. Its geographical location, well-planned infrastructure facilities like wide roads, uninterrupted power supply, adequate water supply, and efficient connectivity (proximity to National Highways and Ports) have made Sanand GIDC a preferred destination for investors.

In this GIDC, industries from various sectors, from automobiles to semiconductors, from pharmaceuticals to food processing, have established their foothold. This diversity is our strength, which helps us to remain competitive in the global market. Both local and international investments have created numerous employment opportunities here and boosted the local economy.

In this development journey, we have also received the full guidance and support of the Honorable Home and Cooperation Minister of India, Shri Amitbhai Shah. His support has been inspiring to further accelerate the development of Sanand GIDC, as this area falls under his parliamentary purview. His visionary leadership and commitment to local industries have always been encouraging for us.

The main objective of this directory is to strengthen mutual connectivity and cooperation among all the members of Sanand GIDC. It will provide you with a comprehensive platform to establish contacts with other industries, explore new business opportunities and exchange knowledge and experiences. I firmly believe that this will enhance unity and harmony in our industrial community, which is indispensable for collective development.

We, as the Secretariat of GIDC, are always committed to providing the best facilities and support to the entrepreneurs. Your suggestions and feedback are invaluable to us, as they help us in formulating future plans and making Sanand GIDC more progressive.

I express my heartfelt gratitude to all of you for your cooperation, hard work and vision for the future. Let us all together take Sanand GIDC to new heights of development.

Best wishes.

Sharadkumar Patel Secretary, Sanand GIDC

# From the desk of the .... President

It is with great pride and gratitude that I share a truly historic milestone for Sanand GIDC – the esteemed visit of Hon'ble Union Home Minister Shri Amitbhai Shah. His presence has not only uplifted the spirit of the entire industrial fraternity but also reaffirmed the national importance of Sanand as a vibrant industrial hub.

During his visit, Shri Amitbhai Shah interacted directly with leading industrialists of our estate, gaining insight into the phenomenal growth of Sanand GIDC and our vision for the future. He inaugurated the Oxygen Park, a green lung developed by SIA, and participated in the plantation drive, demonstrating his commitment to a sustainable and eco-friendly industrial environment. His symbolic planting of the Sindur tree signifies our shared vision of growth rooted in sustainability.

He also unveiled the Vision 2030 document prepared by the Sanand Industries Association – a roadmap towards transforming Sanand into a model smart and green estate with global recognition. This vision is built on the pillars of world-class infrastructure, skilled manpower, digitalization, sustainability, and robust common facilities.

On behalf of SIA, I made a commitment to Hon'ble Shri Amitbhai Shah and to all our member industries to deliver three key infrastructure projects within the next one year:

- 1. Shram Niketan Dormitory A state-of-the-art facility to house over 2,000 workers with modern amenities, supported by the Labour Department of the Government of Gujarat.
- 2. 5 MLD Sewage Treatment Plant (STP) To ensure zero liquid discharge and sustainable wastewater management across the estate.
- 3. Mini ITI Skill Center In collaboration with the Labour Welfare Board, this institute will train more than 2,400 workers annually, tailored to industry needs.

These projects will not only strengthen the foundation of Sanand GIDC but also ensure inclusive, clean, and skilled industrial development.

I urge all stakeholders and member industries to continue supporting these initiatives. Let us walk together towards making Sanand GIDC the benchmark of industrial excellence, sustainability, and innovation – truly realizing our Vision 2030.

With gratitude and commitment,

Ajit Shah

President on behalf of team SIA

#### A Milestone for Skill Development at Sanand GIDC

Today marks a significant step towards empowering the industrial workforce of Sanand. The Sanand Industries Association (SIA) has proudly signed a formal agreement with the Gujarat Labour Welfare Board at their Ahmedabad office for the establishment of a Mini ITI (Industrial Training Institute).

This dedicated training center will be developed on Plot No. SM/39/3, GIDC Sanand, and is a result of the collaborative efforts between SIA and the Labour Department, Government of Gujarat. The vision behind this Mini ITI is to bridge the skill gap and provide industry-specific training to workers, ensuring that our industries continue to grow with a skilled and job-ready workforce.

Once operational, the Mini ITI will have the capacity to train approximately 2,400 workers annually in various trades, tailored specifically to meet the evolving demands of industries in Sanand GIDC and surrounding areas.

We aim to commence construction by September 2025, with the inauguration and training programs expected to begin by July 2026.

This initiative reinforces SIA's commitment to strengthening local employment, supporting the Make in India mission, and building Sanand GIDC as a model of inclusive and sustainable industrial growth.

We thank the Gujarat Labour Welfare Board and all stakeholders for their support in making this vision a reality.

#### Sanand's Future is NOW!

Big moves today (May 15, 2025)! Sanand Industries Association, joined forces with Hon. Home Minister Shri Amitbhai Shah, sparking exciting talks to supercharge Sanand GIDC.

After celebrating "Operation Sindoor's" triumph, the focus was clear: transforming Sanand! On the agenda:

- Green GIDC Sanand
- A cutting-edge Smart City
- Fair taxation via Notified Area status
- Sustainable industry with a CETP
- Upskilling talent with a Mini ITI
- Supporting our workforce with a Ladies' Hostel
- Building a world-class industrial hub, together!

We are thankful to shri Amitbhai Shah for their keen attention for GIDC Sanand

#### **Executive committee of SIA meeting**

#### **Powering Progress Together!**

Proud moment as the entire Executive Committee of Sanand Industries Association comes together in unity and purpose!

From driving industrial growth to strengthening infrastructure, policy dialogue, and community welfare — this dynamic team stands committed to making Sanand GIDC a model industrial estate in Gujarat.

**Collaboration | Innovation | Sustainability** 

#### AGM of Bank of Baroda and Chairman of Power Trac Visit Sanand GIDC – A Step Forward for MSME Finance and Green Energy

Today marked an important day for Sanand GIDC as the Assistant General Manager (AGM) of Bank of Baroda and the Chairman of Power Trac visited the estate, including a detailed walkthrough of the Oxygen Park developed by the Sanand Industries Association (SIA).

During the visit, meaningful discussions were held regarding joint initiatives to support MSMEs in the region. Both dignitaries emphasized the importance of accessible and sustainable financing options for small and medium enterprises. Bank of Baroda expressed keen interest in working closely with SIA to offer tailored financial solutions to help MSMEs thrive.

In a progressive move toward sustainable energy, discussions also covered the development of a Group Captive Power Model—a collaborative step toward green energy adoption across Sanand's industrial units. The Power Trac chairman showed commitment to exploring viable power-sharing frameworks that could significantly reduce energy costs and carbon footprints.

The delegation also visited the Oxygen Park, where they were highly impressed by the scale and impact of the green initiative undertaken by SIA. They lauded the association's efforts in creating a healthy, eco-friendly environment for industries and the community. In recognition of this, both Bank of Baroda and Power Trac pledged to support further plantation activities under their CSR programs, contributing to SIA's mission of turning Sanand into a truly Smart and Green Estate.

This collaborative visit signifies a strong step toward financial empowerment, sustainable development, and environmental responsibility for the Sanand industrial region.

# A Historic Day for Sanand GIDC – Visit of Hon'ble Union Home Minister Shri Amitbhai Shah

We, the Sanand Industries Association (SIA), express our heartfelt gratitude to Hon'ble Union Home Minister Shri Amitbhai Shah for his esteemed visit to Sanand GIDC, marking a momentous occasion in our journey towards industrial excellence and sustainable growth.

During his visit, Shri Amitbhai Shah personally met with top industrial leaders and stakeholders from Sanand, engaging in meaningful discussions centered around Vision 2030, development goals, infrastructure improvement, and the effective utilization of CSR funds to uplift the ecosystem and the surrounding communities.

One of the landmark highlights of the visit was the Khatmuhurat (foundation ceremony) of the much-awaited 5 MLD Common Sewage Treatment Plant (CSTP) in GIDC Sanand – a major step towards ensuring a cleaner, greener, and more sustainable industrial environment.

The Hon'ble Minister also inaugurated (Lokarpan) the newly developed Oxygen Park Walking Track and Waterbody, a project aimed at promoting environmental wellbeing and providing a green lung for the region. As a symbol of commitment towards ecological balance, Shri Amitbhai Shah personally planted a Sindur (Vermilion) plant in the Oxygen Park.

# A Historic Day for Sanand GIDC – Visit of Hon'ble Union Home Minister Shri Amitbhai Shah

Another proud moment was the official release of the "Vision 2030" book – a strategic roadmap jointly prepared by SIA and industrial stakeholders, which outlines the comprehensive development plan to transform Sanand GIDC into a world-class, smart, and sustainable industrial estate.

This historic visit reflects the strong support and recognition by the Central Government towards the industries of Sanand and reaffirms our collective efforts in nation-building.

On behalf of all member industries of Sanand, we at Sanand Industries Association extend our deepest thanks to Shri Amitbhai Shah for his time, encouragement, and visionary leadership. His presence and guidance have inspired us all to work with renewed energy and a shared commitment to progress, innovation, and inclusive development

Together, towards Vision 2030 – A Greener, Smarter, and Sustainable Sanand.

#BJPGovernment #cmogujarat #AmitShah #PMOIndia #GIDC

#### **GANPAT UNIVERSITY MOU**

Today marks another significant milestone in the journey of Sanand Industries Association (SIA) towards building a skilled workforce for the future. SIA has signed a Memorandum of Understanding (MoU) with Ganpat University, under which the university will play a supportive and guiding role in designing and operating various upskilling programs for our upcoming Mini ITI project at GIDC Sanand.

Through this partnership, SIA aims to create industry-relevant training modules that match the requirements of local industries, ensuring that students and workers receive hands-on learning, practical exposure, and certifications aligned with national skill standards. Ganpat University will extend its academic expertise, experienced faculty, and modern curriculum to make this initiative a success.

SIA has also committed to commence the Mini ITI operations on 1st May 2026, a date symbolic of International Labour Day, thereby dedicating this initiative to the workforce that drives industrial growth.

### The Mini ITI will serve as a bridge between industries and workforce, creating opportunities for:

- Training of nearly 2,400 workers per year in trades required by industries at Sanand.
- Special focus on upskilling existing workers to adapt to modern technologies.
- Inclusion of youth and women workforce, enabling them to participate in the rapidly growing industrial ecosystem of Sanand.
- Developing a sustainable talent pipeline to meet the increasing demand for skilled manpower in Gujarat's industrial sector.

This collaboration highlights SIA's vision of making Sanand a Smart, Skilled, and Sustainable Industrial Estate, and further strengthens our resolve to contribute towards the Government of Gujarat's mission of creating an Atmanirbhar Bharat through skill development.

#### Key Highlights on Swadeshi from Modi's Address

#### **Encouraging Shopkeepers to Display Swadeshi Signs**

PM Modi appealed directly to shopkeepers and traders to put up boards outside their shops saying,

#### "Yahan swadeshi maal bikta hai"

(indigenous products are sold here).

He emphasized that embracing swadeshi should be done out of pride, not compulsion.

A Voice for Local, Strength Through Indigenous Goods
He reinforced the idea that swadeshi isn't just a
marketing strategy—it's a form of strength for the nation.
The call to action aligns with his long-standing
"Vocal for Local" initiative.

#### **Boosting Domestic Manufacturing and Self-Reliance (Atmanirbhar Bharat)**

Modi urged increased local production across key sectors—fertilisers, EV batteries, semiconductors, and more—to build a self-reliant India in the face of global economic disruptions.

#### Affordability Meets Quality: 'Daam kam, dum zyada'

He introduced the slogan "Daam kam, dum zyada" (lower cost, higher strength) to underscore that Indian-made products should be affordable yet robust—supporting both consumers and local manufacturers.

#### **Summary Table**

#### Shop Signage

Encouraged traders to display "Swadeshi products sold here" boards.

#### Pride in Usage

Advocated using indigenous goods out of national pride, not obligation.

#### Local Manufacturing

Highlighted sectors like batteries, chips, and fertilizers for self-reliance.

#### Affordable Strength

Promoted "Daam kam, dum zyada" to emphasize value and quality of local products.

#### REVERSE OSMOSIS PLANT (RO)

- Our Other Product Range
- Effluent Treatment Plant (ETP)
- Sewage Treatment Plant (STP)
- Zero Liquid Discharge (ZLD)

# National ITI Upgradation & Local Workforce Upskilling Scheme

#### Overview & Scale

The Union Cabinet, chaired by PM Narendra Modi, approved a Rs.60,000 crore centrally sponsored scheme for the upgradation of 1,000 government-run ITIs and establishment of five National Centres of Excellence (CoEs) within National Skill Training Institutes (NSTIs) in Bhubaneswar, Chennai, Hyderabad, Kanpur, and Ludhiana

#### The funding is structured as follows:

Centre: Rs.30,000 crore States: Rs.20,000 crore Industry: Rs.10,000 crore

Additionally, 50% of the central share will be co-financed by the Asian Development Bank and the World Bank.

#### **Key Objectives**

Transform ITIs into aspirational, industry-aligned hubs providing high-quality vocational training.

Bridge the gap between local workforce skills and industry demand, including for MSMEs .

Train 20 lakh (2 million) youth over the next five years, through flexible, industry-driven skilling programs .

Reinforce the Viksit Bharat by 2047 vision using skill development as a core enabler.

#### **Structure & Implementation Model**

Adopts a hub-and-spoke model, upgrading 1,000 ITIs with modern, capital-intensive trades tied to high-growth sectors like electronics, automotive, and renewable energy.

Establishment of 5 Centres of Excellence at NSTIs in key cities to serve as high-standard training hubs .

50,000 trainers will be trained (both pre-service and in-service) to raise the pedagogical standard and ensure quality delivery .

Emphasis on customization through Special Purpose Vehicles (SPVs) led by industry partners—marking a shift toward more outcome-oriented, industry-managed implementation .

Incorporates need-based flexible funding, allocating resources for infrastructure, equipment, and introducing new-age trades as per institutional requirements .

Yesterday, we had the privilege to be present at the Vasudhara Film Festival on Environment, thoughtfully organized by the Kirloskar Group. The festival highlighted the urgent need to address climate change and create awareness about global warming through the powerful medium of films.

Sanand Industries Association (SIA) feels proud that its members are taking such impactful initiatives, not only to strengthen the industrial ecosystem but also to shoulder social responsibility towards the environment. Activities like these inspire industries and society alike to adopt sustainable practices and contribute to a greener and safer future for generations to come.

#### + સિધ્ધાર્થ ભટ્ટ

રત જયારે વિશ્વના એક મજબૂત અર્થતંત્ર તરીકે ઝડપથી વિકસી રહ્યું છે ત્યારે તેની પ્રાથમિકતા એ છે કે, છેવાડાના માનવીની મૂળબૂત જરૂરિયાતોને સંતોષી નવી ખરીદ શક્તિનું નિર્માણ કરવું. અવિકસિત માનવ સમુદાયને વિકાસશીલ અવસ્થામાં લાવવો. વડાપ્રધાનશ્રી નરેન્દ્રબાઈ મોદીના રાજકીય અભિગમમાં આ વાતનો રણકો સ્પષ્ટ પણે વર્તાય છે. ૧૫મી ઓગસ્ટે આઝાદીના અમૃત મહોત્સવ પ્રસંગે લાલ કિલ્લા પરથી દેશને સંબોધિત કરતા તેમણે આગામી ૨૫ વર્ષોમાં (આઝાદીના શતાબ્દી મહોત્સવ સુધીના સમયને) ભારતને વિકસિત રાષ્ટ્ર તરીકે પ્રસ્થાપિત કરવાનું લક્ષ્ય હોવાની

એ જ વાતનો પ્રતિસાદ આપણને ગુજરાતના સાણંદ જી.આઈ.ડી.સી ખાતે તાજેતરમાં કેન્દ્રીય

ગૃહમંત્રીશ્રી અમિત શાહ દ્વારા મહત્વના કાર્યોના થયે લ લો કાર્ય ણ સમારોહમાં સંભળાય છે. શ્રી અમિત શાહે તાણંદના ટોચના ઔદ્યોગિક નતાઓ સાથે વ્યક્તિગત

વાત કરી હતી.

મુલાકાત કરી હતી. જેમાં વિઝન ૨૦૩૦, વિકાસ લક્ષ્યો, માળખાગત સુધારણા અને ઈકોસિસ્ટમ અંગે ચર્ચા વિચારણા થયેલ. તેમજ સાણંદ જી.આઈ.ડી.સી આસપાસના ૫૪ જેટલા ગામોના વિકાસને વેગ આપવા માટે સી.એસ.આર બંડોળ ઉભું કરવા તેમણે ઉપસ્થિત ઉદ્યોગપતિઓને આહવાન કર્યું હતું. તદ્દઉપરાંત સાણંદ જી.આઈ.ડી.સી.માં 5 MLD કોમન સુવેજ ટ્રીટમેન્ટ પ્લાન્ટનું ખાતમુહૂર્ત પણ તેમણે કર્યું હતું. તેમજ નવા વિકસિત ઓક્સિજન પાર્ક, વોકિંગ ટ્રેક અને વોટર બોડીનું પણ લોકાપણં કર્યું હતું જેનો ઉદ્દેશ પર્યાવરણને પ્રોત્સાહન આપી આ પ્રદેશને હરિયાળો બનાવવાનો છે. તેના પ્રતિક તરીકે શ્રી અમિત શાહે આ ઓક્સિજન પાર્કમાં 'સિંદૂર'

છોડનું વૃક્ષારોપણ કર્યું હતું. જે કેન્દ્ર અને રાજ્ય સરકારની સાણંદ જી.આઈ.ડી.સી ના વિકાસ માટેની પ્રતિબદ્ધતાનો બોલતો પુરાવો છે. વિઝન ૨૦૩૦ એ સાણંદના સર્વાંગી વિકાસનો રોડ મેપ તો છે જ તેની સાથો-સાથ અમદાવાદના સાંનિધ્યમાં સાણંદને નવી ઔદ્યોગિક પ્રવૃત્તિઓને માટે પૂરતી મોકળાશ મળતાં જ મોટા-મોટા ઉદ્યોગો

હવે સાણંદમાં સ્થપાય છે. ટાટા ગ્રૂપના રતન ટાટાના માર્ગદર્શન હેઠળ ટાટા મોટર્સ ઓટોમોબાઈલ પ્રોડક્શન ક્ષેત્રે વિકાસની હરણ ફાળ ભરી છે. પરિણામે આજે સમગ્ર વિશ્વમાં સાણંદ જી.આઈ.ડી.સી. એક મહત્વના ઈન્વેસ્ટમેન્ટ

ડેસ્ટિનેશન તરીકે પહેલી પસંદગી પામ્યું છે.

આગામી દાયકામાં ભારતના અગ્રણી ઔદ્યોગિક નગરોમાં સાણંદની ગણતરી કરવામાં આવે તેવી પૂરતી શક્યતા છે. ખાસ કરીને જે પ્રમાણે આયોજન થઈ રહ્યું છે તે જોતા એમ લાગે કે ઈન્ડિસ્ટ્રિયલ ટાઉનિશિપ મેનેજમેન્ટના ત્રણ અગત્યના પરિબળો એટલે કે માર્કેટિંગ, ઈન્ફાસ્ટ્રક્ચર અને સાનુકૂળ ઔદ્યોગિક નીતિને યોગ્ય દિશા અને ઝડપ દ્વારા મૂળ ઉદ્દેશને સાથે રાખીને ઈન્ટરનેશનલ સ્ટેન્ડર્ફ્સ તરફના કામો સાણંદમાં આગળ વધી રહ્યા છે. ઉભરતા ઔદ્યોગિક ક્ષેત્રો સાણંદના વાતાન્દ્ર ભથી પ્રભાવિત થઈને ઉત્પાદન એકમો સ્થાપવા હવે ઉત્સુક છે. પ્રમાણમાં નવો ઔદ્યોગિક વિસ્તાર હોવાથી આંતરરાષ્ટ્રીય ધારાધોરણો હાંસલ કરવા મશ્કેલ નથી.

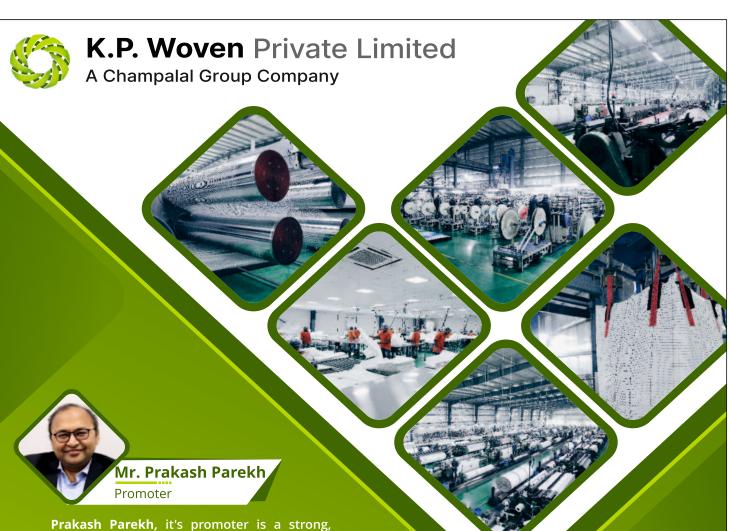

માળખાકીય સુવિધાઓ જેવી કે ચોમાસા પ્રૂફ રસ્તા, ડ્રેનેજ, લાઇટિંગ, આનુસંગિક સુવિધાઓ, ઝડપી ઇન્ટરનેટ અને પોર્ટ તથા એરપોર્ટ માર્ગો સુધી અવરજવરની સુગમતાને અહીં પ્રાથમિકતા આપવામાં આવી છે. સાણંદના સદનસીબે કેટલાક હિતેચ્છુઓએ આ દિશામાં ધૂણી ધખાવી છે. માટે જ સાણંદનો આગામી દશકો ગોલ્ડન ટાઈમ બનશે. અહીં સેમિકન્ડક્ટર, વૈકલ્પિક ઊર્જા, મેકાટ્રોનિક્સ, બાયોટેકનોલોજી તથા નવા વૈજ્ઞાનિક આવિષ્કારો આધારિત ઉદ્યોગો માટે મહત્વનું સ્થાન છે.

આજે સાણંદ ઈન્ડ સ્ટ્રિઝ એસોસિયેશન વિકાસના મક્કમ નિર્ઘાર સાથે પાયાનું કાર્ય કરી રહ્યું છે. પરિણામે હરિયાળું અને પ્રગતિશીલ સાણંદ ૨૧મી સદીના સીમાચિદ્ધ રૂપે સ્થાપિત થશે એ ચોક્કસ વાત છે એમાં બે મત નથી.

**Prakash Parekh**, it's promoter is a strong, fearless businessman. He is a Chemical Engineer with a post-graduation degree in SAP from Monash University. He is also the Managing Director of Flagship company of the group Plastene India Limited, which he has built from the ground zero in just a span of 14 years. With over 22 years of experience in the Plastic Industry, he is stalwart of this industry. Equipped with a lot of experience and great analytical skills he is a magician of management.

Pritesh Parekh, the Director is a PGDM holder in Business Management from Tollani Institute of Management. He has over 20 years of experience in the Plastic industry. Specialising in operations and sales and because of his great can-do attitude and empathy towards the manpower and our clients he holds command on operation and marketing. Pritesh is responsible for managing almost 3000 MT of market for K. P. Woven and all it's sister concerns in the Champalalgroup.

K.P. Woven Private Limited is a part of renowned Champalal Group of companies engaged in the manufacturing of Flexible Intermediated Bulk Containers (FIBCs) or Jumbo bags. Group is second largest manufacturer of FIBC in India. This unit was specifically put up to cater to the requirements of Food and Pharmaceutical industry to meet their requirements of bulk packaging needs.

Equipped with State of the art machinery sourced from the best suppliers in India and Europe. It's Swiss weaving machinery from Sulzer equips the company to also manufacture various kinds of Geotextiles which can serve various purposes and are useful in various industries. With installed capacity of over 1100 MT of woven plastic products, this plant is one of the best in the country, and we are targeting 90% of its sales from exports. Majority of it's clients are based in the USA, Europe and South America, while also catering to some of the big names in the domestic chemical industry.

Apart from that, this facility is one of a kind facility with complete air conditioning from granules to bag hence eliminating the risk of contamination. K.P. Woven firmly believes in supplying its costumers with top quality bulk bags which are extremely safe to use and have a great visual appeal. We have a zero tolerance policy towards taking deviation and believe in supplying our costumers with exactly what they need.

#### The Indian Institute of Welding - Ahmedabad Centre

#### Subject:

Heartfelt Thanks for the Successful Completion of Best of the Best Welder Competition – 2025

Dear Participants, Sponsors, Supporters, and Well-Wishers, On behalf of The Indian Institute of Welding – Ahmedabad Centre, we extend our sincere gratitude to each one of you for making the Best of the Best Welder Competition – 2025, held on Friday, 22nd August 2025 at Aakar – The Welding Institute, Johnson Screens (India) Pvt. Ltd., Sanand, a grand success.

Your active participation, enthusiasm, and encouragement played a vital role in recognizing and celebrating the skills of Men and Women Welders in our industry. The event witnessed outstanding performances, healthy competition, and a true spirit of excellence. We also sincerely thank our host, sponsors, assessors, and volunteers whose valuable support, time, and resources ensured the smooth execution of the event.

The success of this competition reinforces our collective mission to promote skill development, innovation, and pride in the welding profession. We look forward to your continued support in our future initiatives. Once again, thank you for being a part of this memorable event. Together, we are building a stronger and more skilled welding community.

Today, Sanand Industries Association (SIA) had the privilege of hosting a distinguished delegation from Finland and Japan at our SIA office, Sanand GIDC Estate, and GIDC Sanand Office.

We held meaningful discussions on potential collaborations for Waste to Energy and Skill Development projects aimed at creating a sustainable and skilled industrial ecosystem in Sanand.

SIA remains committed to driving innovation, sustainability, and workforce empowerment through global partnerships.
