From the desk of the

President

Ajit Shah
President on behalf of team SIA

Dear Members, Industrialists, Entrepreneurs, and Friends,

Warm greetings to you and your families on the auspicious occasion of **Diwali!**

Diwali is the festival of light, happiness, hope, and new beginnings. It reminds us that with unity, hard work, and positive thinking, we can overcome challenges and achieve success. I wish all members of the Sanand Industries Association (SIA), industrialists, workers, government officials, and their families a very Happy Diwali and a prosperous New Year.

SIA's Journey and Achievements

SIA is committed to making GIDC Sanand a leading industrial destination with modern infrastructure, a business-friendly environment, and sustainable development. With the continuous support of our members, we are working as a bridge between industries and the government to resolve industrial issues and promote growth.

Our 15th Annual General Meeting, held on 1 October 2026, at Taj Skyline, Ahmedabad, was an important milestone. I sincerely thank all members for their participation and support in making the AGM a grand success. We are grateful to Hon. Minister Shri Arjunbhai Modhwadia and Hon. MLA Shri Prakashbhai Vermora for their valuable guidance and encouragement.

The introduction of the SIA Shramik Awards was a special highlight of the AGM. These awards recognise the dedication and contribution of workers, who are the backbone of our industries.

Gratitude to the Government

On behalf of SIA, I express my sincere gratitude to the Government of Gujarat for providing relief in stamp duty matters. This positive decision addresses a long-pending industry issue, supports industrial units, and strengthens investor confidence. We look forward to continued cooperation with the government in resolving other pending issues.

Cleanliness Drive on 22 October 2026

On the occasion of the birthday of Hon. Shri Amitbhai Shah, Union Home Minister, SIA is organising a special cleanliness drive in GIDC Sanand on 22 October 2026.

I appeal to all member industries, factory heads, employees, and workers to participate actively and help keep our industrial estate clean and green. Cleanliness must become a daily habit and a shared responsibility.

Our commitment remains: "Green and Smart GIDC Sanand – It's Our Commitment."

Our Vision for the Future
Through our Vision 2030,

Dear Members, your trust, support, and cooperation are SIA's greatest strengths. Together, let us build a stronger industrial community and create new opportunities for growth and prosperity.

May this Diwali bring happiness, good health, peace, success, and prosperity to every family and business.

Wishing you all a Very Happy Diwali and a Prosperous New Year!

With warm regards,

Ajit Shah
President on behalf of team SIA

From the desk of the

Secretary ....

Sharadkumar Patel
Secretary, Sanand GIDC

Dear Members,

It gives me immense pleasure to share the progress and future vision of the Sanand Industries Association (SIA). Over the years, SIA has continuously worked towards creating a stronger industrial ecosystem in GIDC Sanand, and today we stand at the threshold of several significant milestones.

At SIA, we are not only addressing today's challenges but also building tomorrow's opportunities. Through initiatives such as the Mini ITI & Industrial Training Centre, One Lakh Tree Plantation Mission, enhanced fire & emergency services, infrastructure development, worker welfare programs, and sustainable waste management practices, we are creating a stronger foundation for future growth.

Our Vision 2030 is clear—to transform GIDC Sanand into a world-class industrial estate driven by skilled manpower, smart infrastructure, environmental sustainability, industrial safety, and innovation. Every project we undertake today is a step towards achieving that vision.

I sincerely thank all our members, partners, and stakeholders for their continued support. Together, we are shaping not just an industrial estate, but a sustainable and prosperous future for generations to come.

"Together We Build. Together We Grow. Together We Lead."

Best wishes,

Sharadkumar Patel
Secretary, Sanand GIDC

Thanking You,

Sanand Industries Association (SIA)

Great business opportunities begin with the right connections!

Building a strong industrial ecosystem requires collaboration, accessibility, and meaningful networking.

Sanand Industries Association's Interactive Member Directory brings businesses closer by facilitating B2B and B2C connections, helping industries discover opportunities, strengthen professional relationships, and grow together.

SIA – Where Industries Connect.

Visit: www.sanandgidc.org

Waste management is no longer just a responsibility—it's about compliance and sustainability.

As per SWM Rules 2026, proper segregation, collection and processing of solid, organic, food and canteen waste is essential for bulk waste generators.

Join SIA's initiative towards responsible waste management and help build a cleaner, greener and more sustainable Sanand.

A cleaner industrial area begins with collective responsibility!

On the auspicious occasion of the birthday of Shri Amitbhai Shah, SIA – Sanand Industries Association, in association with GPCB, is organising a Cleaning Drive at GIDC Sanand on 22nd October 2026.

Let's come together to promote a clean environment, a healthy community, and a sustainable future.

Together for a Sustainable Tomorrow!

Prepared Today. Resilient Tomorrow.

Industrial safety begins long before an emergency occurs.

From risk assessment and preventive measures to emergency preparedness and responsible planning, every step contributes to a safer and more resilient industrial ecosystem.

At Sanand Industries Association (SIA), we believe that preparedness is the foundation of sustainable industrial growth.

Because a safer industry builds a stronger tomorrow.

DRY TODAY. SAFE TOMORROW.
TRUST SAMARPANN SILICA GEL.

Some industrial challenges need more than emails—they need the right conversation with the right authorities.

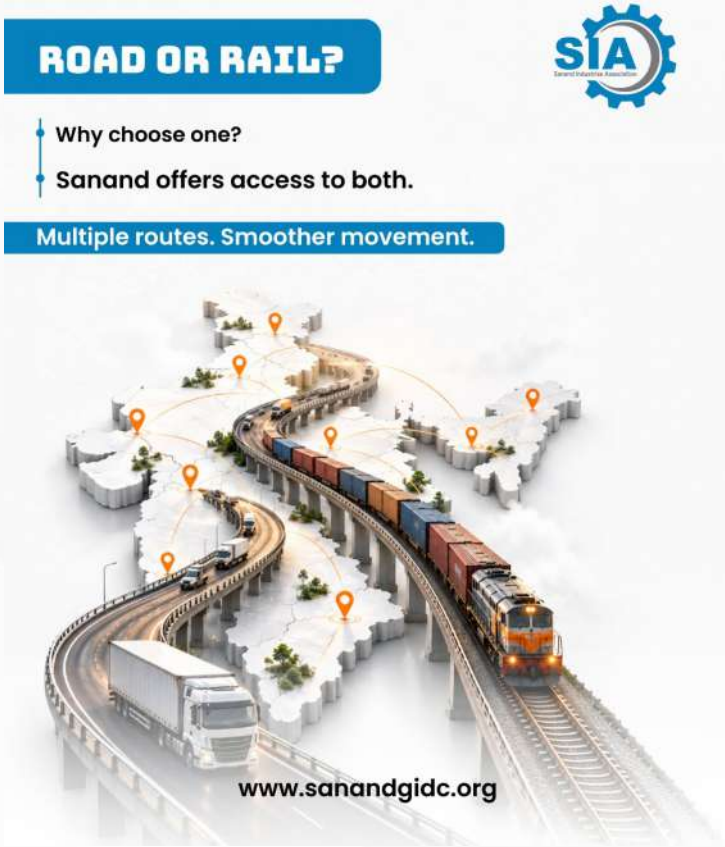

Through Open House Meetings, Sanand Industries Association helps bring industry concerns to the table, enabling better communication, practical discussion, and coordinated solutions for field-level issues.

Visit: www.sanandgidc.org

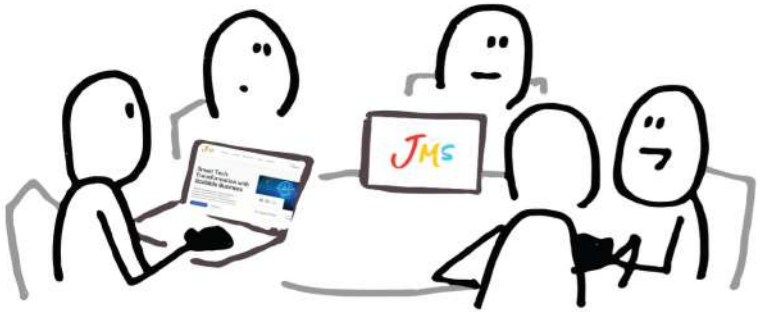

When industries need speed, flexibility, and reliable movement, connectivity matters.

With access to both road and rail networks, Sanand supports smoother movement of goods, materials, and people—helping industries stay connected to wider markets and supply chains.

Multiple routes.
Smoother movement.
Stronger industrial connectivity.

A Greener Milestone for SIA!

After 3 years of continuous follow-up, the Hon'ble Mamlatdar has directed GIDC to compensate for the demolition of 1,000 trees by planting 3,000 new trees.

A meaningful step towards balancing industrial progress with environmental responsibility. SIA remains committed to constructive dialogue and a greener GIDC Sanand.

Sanand's industrial ecosystem is built on scale, connectivity and opportunity. Spread across around 5,000 acres, the region continues to provide a strong foundation for industries to establish, expand and contribute to long-term economic growth.

SIA continues to support an industrial environment focused on development, collaboration and progress.

Sanand Industrial Area, Industrial Growth, Sanand GIDC, Industrial Development, Manufacturing Hub, Business Ecosystem, Gujarat Industries, Infrastructure Development, Industrial Expansion, Sanand Industries Association

SIA is more than meetings— it is about creating a stronger industrial ecosystem.

From infrastructure and safety to skill development and member concerns, Sanand Industries Association continues to work on initiatives that support industries and the people behind them.

Because progress happens when industry, people, and infrastructure move forward together.

Industry challenges are better solved when industries come together.

Through grievance redressal, infrastructure support, active member participation, and stronger coordination, SIA continues to create a more connected and supportive industrial ecosystem.
SIA — Supporting industries at every step.

Reliable industrial infrastructure begins with strong representation.

Sanand Industries Association (SIA) continues to actively raise the concerns of industries before the concerned authorities, working towards uninterrupted operations and a stronger industrial ecosystem. Together, we strive for the sustainable growth of Sanand GIDC.

K.P. Woven Private Limited

A Champalal Group Company

Mr. Prakash Parekh

Promoter

Prakash Parekh, it's promoter is a strong, fearless businessman. He is a Chemical Engineer with a post-graduation degree in SAP from Monash University. He is also the Managing Director of Flagship company of the group Plastene India Limited, which he has built from the ground zero in just a span of 14 years. With over 22 years of experience in the Plastic Industry, he is stalwart of this industry. Equipped with a lot of experience and great analytical skills he is a magician of management.

Mr. Pritesh Parekh

Director

Pritesh Parekh, the Director is a PGDM holder in Business Management from Tollani Institute of Management. He has over 20 years of experience in the Plastic industry. Specialising in operations and sales and because of his great can-do attitude and empathy towards the manpower and our clients he holds command on operation and marketing. Pritesh is responsible for managing almost 3000 MT of market for K. P. Woven and all it's sister concerns in the Champalalgroup.

K.P. Woven Private Limited is a part of renowned Champalal Group of companies engaged in the manufacturing of Flexible Intermediated Bulk Containers (FIBCs) or Jumbo bags. Group is second largest manufacturer of FIBC in India. This unit was specifically put up to cater to the requirements of Food and Pharmaceutical industry to meet their requirements of bulk packaging needs.

Equipped with State of the art machinery sourced from the best suppliers in India and Europe. It's Swiss weaving machinery from Sulzer equips the company to also manufacture various kinds of Geotextiles which can serve various purposes and are useful in various industries. With installed capacity of over 1100 MT of woven plastic products, this plant is one of the best in the country, and we are targeting 90% of its sales from exports. Majority of it's clients are based in the USA, Europe and South America, while also catering to some of the big names in the domestic chemical industry.

Apart from that, this facility is one of a kind facility with complete air conditioning from granules to bag hence eliminating the risk of contamination. K.P. Woven firmly believes in supplying its costumers with top quality bulk bags which are extremely safe to use and have a great visual appeal. We have a zero tolerance policy towards taking deviation and believe in supplying our costumers with exactly what they need.

The SIA team paid a courtesy visit to Kubera Now, a leading financial media house, and engaged in a fruitful interaction on financial policies, industrial development, and strategies to accelerate economic growth.

The discussion provided a valuable platform for exchanging perspectives and exploring opportunities to strengthen the industrial and financial ecosystem.

The SIA team sincerely appreciates Kubera Now for its warm hospitality, valuable time, and constructive engagement. We look forward to continued interactions and meaningful collaboration towards fostering industrial progress and economic growth.

HIGH PERFORMANCE

STRETCH FILMS FOR A STRONGER TOMORROW

Reliable | Sustainable | Innovative
Packaging Solutions for Every Industry

MANUFACTURING FACILITY

- **PROTECTS YOUR PRODUCTS**
- **IMPROVES EFFICIENCY**
- **SUPPORTS A GREENER FUTURE**

INTEGRATED MANUFACTURING FACILITY

- **70,000 sq ft** State-of-the-art manufacturing facility
- **500 Tons/Month** Production capacity
- **Advanced** technology & quality systems
- Strategic location for efficient supply to domestic & global markets
- **Manufactured in India Export Ready**
- **Sustainable** solutions for a better tomorrow

REGULAR STRETCH FILM

VERSATILE. RELIABLE. COST-EFFECTIVE.

- LLDPE cast film – machine grade and hand grade
- 8 – 51 µm (micron)
- 250 – 1000 mm (width)
- Up to 300%+ stretch
- Clear / Black / White / Custom colours
- High puncture resistance
- Strong cling and load stability
- Suitable for all industrial applications

VCI STRETCH FILM

ADVANCED CORROSION PROTECTION.

- Volatile Corrosion Inhibitor (VCI) LLDPE stretch film
- Protects ferrous & non-ferrous metals
- Ideal for automotive, steel, engineering and export shipments
- 17 – 51 µm (micron)
- 250 – 1000 mm (width)
- Protection up to 24 months (as specified by Wellpack)
- Available in machine and hand grades
- Custom solutions for your requirements

BIODEGRADABLE STRETCH FILM

SUSTAINABLE PACKAGING. CLEANER FUTURE.

- LLDPE stretch film with biodegradable additive technology
- Available in machine and hand grades
- Retains cling, stretch and load stability while breaking down significantly faster than conventional plastic
- Environmentally responsible choice
- Custom solutions available
- Ideal for businesses with sustainability goals
